REPORT FROM THE P.-T.A.:

One of the largest crowds ever to attend a Brisbane P.-T.A. meeting trekked to the Brisbane Elementary School auditorium last Thursday evening to hear the Glee Club sing. There was an estimated 150 persons in the audience--a large turnout for the first meeting of this season! They were not disappointed--"WONDERFUL!" was the general consensus of opinion. Led by Frank King, director--and accompanied by Mrs. Louis Duncan, his co-chairman--the choristers sang a quartet of songs, with their rendition of "Dry Bones" almost bringing down the house. Clad in black and white, the singers made a striking appearance on the stage. The soloing of Arthur Kennedy in "The Lord's Prayer" and that of Marvin Moore's in "Whiffenpoof Song" was excellent. Beth Duncan's piano accompaniment was a standout, particularly in "Dry Bones", and the humorous remarks of King had the audience laughing uproariously. The glee club is the only one of its kind in the 17th District P.-T.A., and after its superlative performance Thursday evening, there is no doubt that November 4th's "PLANTATION DAYS" will be a huge success.

ASSURING his listeners that everything possible is being done to protect our school children in case of emergency, Henry Hall, assistant county superintendent of schools, elucidated on the various steps being taken.

AT THE BUSINESS MEETING, conducted by Mrs. Roy Edwards, president of the Brisbane P.-T.A., it was voted to cooperate with other local organizations in giving a Christmas Party for all Brisbane children--and the unit will donate up to fifty dollars for this purpose. Urging citizens to vote NO on Propositions No. 1 and 6 on the November ballot, was Mrs. Clinton Stewart, citizenship chairman. An adult recreation program will be initiated soon at the Recreation Center, according to Stanford Bingham, director.

OCTOBER will be a busy month for the Unit, what with the two weeks Membership Drive commencing October 9th--the Mother-Teacher Teas on October 11th and 12th, and the annual Halloween Carnival on October 31st.

AND ORCHIDS TO Erna Casadidio, Eve Johnson, Mabel King, and Agnes Whitson, who did the K.P. duties and washed dishes until the wee hours.

ALL IN ALL it was a memorable evening and the Unit can only extend its heartfelt thanks and congratulations to the Glee Club which has made every Brisbane proud, indeed!

REPORT FROM THE RED CROSS:

Lester Jinkerson, owner of LESTER'S MARKETS down the Peninsula, has accepted the Chairmanship of the Food Committee of the San Mateo County Red Cross Disaster set-up, replacing John Leahy, who recently resigned his post.

R. C. PITCAIRN, and J. Howard Walzer, Co-Chairmen of Disaster Preparedness, today announced that Emerson Murfee, owner of Villa Chartier, and Harry Gregg, office manager of Lester's Markets, will serve as Vice-Chairmen of Jinderson's Food Committee.

RED CROSS has been designated by the N.S.R.B. as the organization which will be responsible for food, clothing, and shelter in case of a bombing or other war disaster. Plans for the entire set-up have been perfected--personnel of all committees has been greatly augmented--and tie-ins with local civilian defense councils' plans are being arranged--according to Pitcairn and Walzer.

NEWSPAPER WEEK, OCTOBER 1--8:

A free press is important now, more than ever, Governor Warren said, recently, proclaiming October 1st to 8th as Newspaper Week in California.

He urged the people of the state to become more familiar with newspaper services and facilities in their own communities--and the importance of a free press "in the protection of our form of government."

SAN MATEO COUNTY TRAFFIC COMMISSION:

THE TIME HAS COME---and you hand over the car keys to that teen-ager for the first time. But not without misgivings!

Is this young person ready for the responsibility of operating & controlling the power and force that is our modern auto?

The answer depends upon a lot of things. It depends on how well our schools have taught safety--from the earliest grades. It depends on how the young crowd regards safety--how older drivers and pedestrians in your town conduct themselves on the street. It depends on how you acted about safety around the house, while walking, while driving when the family was along--depends on the patience you had when you started showing this young person how to drive.

(continued above)

(continued from below)---

Right now, you wish your example had been just a little better--not only for your own teen-ager--but for ALL the youngsters who might have noticed that YOU didn't take time to be safe!

--NATIONAL SAFETY COUNCIL

Getting America's millions of children to school safely is the joint responsibility of the motorists, parents, school, community, and the child himself. Unity in responsibility is essential, tightening of lax threads is a "must", and accident prevention is a common problem to be shared and solved by all.

SPORT NEWS: by RON WRIGHT.

On September 29th, the Jefferson High Varsity Football team won over the Mountain View Eagles by a score of 20 to 9. This unusual score was acquired when Mountain View scored a touchback and a touchdown in the first quarter and hopes of winning went aglimmering. In the second quarter "Jeff" scored a touchdown, but failed on the extra point. In the second half, Jeff ran away from the Eagles by two touchdowns, one of which was a beautiful pass caught by "Izzy" Galante. The varsity used a single wing, unbalanced line all through the game, and will probably use it all thru the season.

On October 6th, Jefferson will play Sequoia at their field. It will be Jeff's first night game, and if you have nothing else to do, why not try to come down and see the game? The time is at 8 p.m.

The Jefferson High Fresh-Soph is having their game on October 13th. The Fresh-Soph is a little green on the tackling and blocking but they are tough, and will give their opponents a rough game. The Brisbane players are; George Babkirk, Darryl Chapman, and yours truly, Ron Wright. We may be small for football---but when little George Babkirk can tackle a six-foot-four boy--size doesn't mean a thing!

The Jefferson's 10's and 20's Basketball team played Polytechnic last Monday, and the 10's won by the score of 26 to 24--but the 20's lost by 28 to 29--both very close games. Three boys on the first string are from Brisbane; (for the 10's)--Jerry With, Leo Villar, and Richie Trantham, the spark-plug of the team. Four local boys are on the first string for the 20's; Don Dolbon, Don Rose, Bud Silva, and Ray Record.

If anyone in Brisbane, between the ages of 14 to 16 years wants to play winter baseball--please get in touch with Jerry Yarbrough or myself, Ron Wright.

You Teen-Agers who like to dance, or play indoor sports, be sure to attend the meetings of the TEEN-AGE Club at the Rec. on Tuesday evenings.

DEER HUNTING OUT OF SEASON:

Local resident Arthur Germaine, of Sierra Point Road, was involved in a deer hunt, slightly out of season and out of bounds--in the city streets of San Francisco last Sunday, Oct. 1st. The deer had escaped from the Golden Gate Park, and was running down the streets of the Panhandle, causing several minor accidents. It finally got hit by a car, and Germaine, a State Humane officer, received a call from the police on short wave. Three state police cars and Germaine gave chase. The deer had to be destroyed because of it's injuries.

CUB PACK MEETING:

September's Cub Pack Meeting was held at the schoolhouse on the usual last Friday of the month, with a note of sadness pervading the gathering, as all present knew that this was probably Cub master Mayo Hogue's last stint as cubmaster.

The meeting opened with Den Chief Roger Saunders leading the Pledge of Allegiance.

Awards were presented to the following: Bobcats, Mike McHenry and Ronnie Saylor. Wolf awards, Jack Chase, Gene Firth, James McElroy. Bear awards, Eddie Mamison, Harold Woodward, Gerald Patten. Assistant Denner's bar and Denner's bars, Bobby Goff. One year stars (as Den Chiefs), Anthony Sousa and Roger Saunders. Den Chief's Cords went to Robert Saunders and Vincent Reece. Registration Card went to Richard Wright. Bear Feather, James McElroy. Lion Feather, Gerald Patten.

Gifts were presented to retiring Den Mothers, Mrs. Edith Johnson, Mrs. Mable Kine, Mrs. Woodward, Mrs. Jewell Soward, and Mrs. John Bell.

New Den Mother Eleanor Saunders received Den Mother's pin, as did Mrs. Kurtz. Mrs. Saunders has taken over Den 4, while Mrs. Kurtz replaces Edith Johnson in Den 3. Dens 1 and 7 are still in need of Den Mothers or they must be disbanded.

Cubmaster Hogue introduced Milt Jensen as speaker of evening. Jensen announced that Annual Roll Call and Inspection will be made sometime in October, and congratulated Hogue on fine job he has done as cubmaster of the local group.

Bud Soward, assistant cubmaster will be acting cubmaster until a replacement can be found--although Soward announced that he cannot serve after January 1st, 1951.

Den Chiefs present gathered and gave yell for departing cubmaster Hogue.

The annual Halloween party was announced. Games were played by all cubs present, after which refreshments were served by Den 3, of which Mrs. Johnson is retiring Den Mother.

LOCAL YOUTH ON TELEVISION:

Friend husband excitedly called me on the phone one day last week, and reported that his brand-new Television set had paid off in the very first afternoon he was able to stay home and watch it. A well-known local boy was a visitor on the Dol Courtney program, being Dwain Curtin of the U.S. Marine Corps. Dwain said he had gained 35 lbs. since enlisting.

SKILLED WORKERS BADLY NEEDED:

Shortages in certain classifications of skilled and professional workers for employment in San Francisco Bay Area Defense installations has reached the critical point, it was reported today by Charles F. B. Reeth, area manager of the Calif. Dept. of Employment.

Federal Defense bases have slowed down their tempo of hiring for most types of work during recent weeks, but are urgently in need of skilled workers, Reeth said. He advised those interested to apply to any local office of the department of employment.

WEEKEND GUESTS:

A busy weekend was enjoyed by the W.L. Reece family on Sierra Point Road, because of the houseful of San Francisco guests, out to enjoy the American Legion Dance at the Legion Hall. Joining in the fun and dancing with the Reece's were Bob and Ollie Reynolds, of 6th Avenue, and Rose Hickey, with her cousin, Tod Aielloy of Pine Street. Rose Hickey gifted the orchestra with a huge genuine Mexican hat, for use in their superlative Rhumba numbers.
